

Remember to do all of this work on a 22 x 28 in. poster, not on this sheet.

Homeschool City's Bid to Host the Summer Olympics

Detailed Drawing of the Olympic stadium goes here

There will be people visiting our city to go to the Olympic events. The athletes competing in the sports will stay in the Olympic Village but where will all the visitors stay? Write at least three sentences describing your plan and draw a picture in this box.

What sports would the Olympics have and what stadiums, arenas, ballparks and other buildings would we have to build to host the different sports.? Write down at least 15 sports for this Olympics and what building you would need for each. You might have more than one sport play in one place. For instance, basketball and volleyball could both be played in an arena that is built.

Write 4 sentences about the Olympics stadium you have designed and what makes it special. Then draw a picture of it in the box above on your poster

Drawing of your Olympics mascot goes in this box

Detailed Drawing of the Olympic village goes here

Traffic: What changes or additions would you make to Homeschool City to make sure we did not get too much traffic. More people visiting will mean more cars in the town, so you should be prepared for more cars, parking problems and traffic.

Write 2 sentences about your Olympic mascot here. What is his or her name and how did you get the idea? What makes the mascot special?

Write 4 sentences about the Olympics village and draw a picture of it in the box above on your poster

Make sure to use a ruler to draw the boxes for the poster as shown above. Do your neatest work to earn all the diamonds!
